TABLE OF BENEFITS

BRAZIL

EFFECTIVE MARCH 1, 2026

Things You Should Know

- All benefits apply per Insured, per Policy Year, and are subject to any applicable Individual and Family Deductibles, Coinsurance, fees, exclusions, and other terms of the Policy, except when otherwise specified in the Table of Benefits. Any limitations established during the underwriting process will supersede what is stipulated in the Table of Benefits. The Insurance Company shall pay the Usual, Customary, and Reasonable (UCR) charges for the Covered Expenses incurred by an Insured when indicated in the Table of Benefits.
- Certain types of incurred medical expenses may have limitations or specific conditions that must be met for them to be considered Covered Expenses under the Policy. Certain medical expenses will only be considered Covered Expenses to the extent that they are included in the Table of Benefits, and only under the terms and conditions set forth below in the Conditions of Coverage.
- The Policy has a thirty (30) day Policy Waiting Period that starts on the Cover Effective Date of each Insured. During this time, coverage will only apply to Illnesses or Injuries caused by a covered Accident or a condition of infectious origin that occurs or is manifested for the first time during this period. Any other condition or symptom that is not caused by a covered Accident or a condition of infectious origin that occurs during the Policy Waiting Period will be permanently excluded from coverage.
- Certain benefits contain a Benefit Waiting Period which is indicated in the Table of Benefits. The Benefit Waiting Period starts on the Cover Effective Date of each Insured. When a new benefit or a new Module is added, the Benefit Waiting Period will be calculated as of the Renewal Date when such benefit or Module becomes effective as shown in the Table of Benefits.
- The Insured must obtain pre-authorization before incurring any medical expenses associated with Emergency and non-Emergency medical treatment or services for any of the following benefits, medical treatments, and services when covered under the Policy. **All Covered Expenses for the benefits, medical treatments, and services listed below will be subject to a penalty of forty percent (40%) if the corresponding pre-authorization has not been obtained:**
