Other Services

Patient Navigation Services

A coordinated set of support activities designed to help Insureds understand, access, and effectively optimize the use of their covered health benefits under the Policy. The Patient Navigation Team assists patients in overcoming barriers to care by providing individualized guidance across healthcare systems; providing support in locating appropriate providers, schedule appointments, coordinate referrals, overcome logistical barriers, and connect with community or clinical resources. By using Patient Navigation Services, the Insured may be eligible for reduced cost sharing, including a reduction in the Individual Deductible, for certain procedures at designated medical facilities.

InterConsultation®

A service that offers a meticulous review of the Insured's medical records performed by an independent Physician or medical professional which provides the patient with a Second Medical Opinion regarding diagnosis and treatment.

Best Doctors Concierge™

A service that assists the Insured with the coordination of medical appointments, hospital admissions, travel arrangements, accommodations, and transportation when medical services are to be rendered outside the Insured's Country of Residence.

Individual Case Management

A program that coordinates, supervises, and manages complex medical cases of long duration.
